- Additional Intel Updates:
- CIG received a report of a tweet responding to a thread about MP Lianne ROOD, stating: "[...] freeze her account dox her".[ii]
 - PPS-PI have identified through open sources a TikTiok account associated to purported Afghanistan veteran **Personal Info** which makes a distress call to anyone who will "come and free us". **Personal Info** has been staying in a red tent at the National War Memorial and participated in the removal of the fencing around the NWM along with other veterans and protestors. [iii]
 - CIG OSINT has located a video titled "The Aftermath", by the Youtube Channel **Personal Info** in which the individual is observed walking through the downtown core. The video states that it is dated 2022-02-19, though the video appears to have been streamed approximately two hours ago. The video has been viewed over 16K times. The following notes were obtained from the video:
Personal Info indicates that the plan is "as soon as Police presence is gone, as soon as Emergency act is out of power, we'll be back. Everyone knows we're coming back to protest on foot."
Personal Info also appears to sneak around a downtown Ottawa police checkpoint, by sprinting through an unmonitored parking lot. Shortly after, the YouTuber states on camera that the only way to get through the blockades is to run through parking lots, underground parkades and to jump fences.
 - o Towards the end of the video, **Personal Info** states that he is planning on fixing trucks, and preparing them for a slow roll. He states, "just wait, wait until what happens next." [iv]
 -
 - Another video, titled "I'm back bish" (posted 14 hours ago) shows **Personal Info** in what appears to be a hotel room. In the video, the YouTuber discusses having been recently arrested and subsequently released. Towards the end of the video he states, "we have a backup thing going with the trucks... we can peacefully protest on foot... which means we bring honkers, which means we bring speakers..." [v]
 - o Based on the above videos, it is possible that **Personal Info** is encouraging others to continue the protest on foot.
 - o The full videos have been captured by CIG OSINT.

-

CIG received reports that approximately 100 people have gathered at the War Museum to protest. Multiple Twitter posts are alluding to the ongoing protest. The protest is also being livestreamed by the user "**Personal Info**."
